

Lead Data/ML Engineer

Who is GetCapital?

GetCapital is an award-winning, technology first, non-bank lender based in Sydney offering working capital and payments solutions. We support Australian businesses by putting customers at the centre of everything we do and have continued to see this focus have us ranked among the industries best (*Deloitte Fast 50 Top 25 for three years in a row; was ranked among LinkedIn's Top Australian Start-ups in 2019; AFR's Fast 100*). With yearly growth continuing to speed up we in the market for great people looking to learn, build, and develop. We look forward to hearing from you!

Who are we looking for?

We are looking for a Lead Data Engineer to support a quickly growing analytics and strategy team. The role is data! With a focus on, but not be limited to, the development of data analytics solutions (e.g., warehousing and data streaming), assisting with of complex data tasks (e.g., training sets for ML and journey mapping), and management of our auto-decisioning logic (i.e., the magic that drives automation). This role is highly dynamic, and like the company, is growing quickly. The perfect candidate will be excited to take on new challenges and be ok with stretching their skillsets and learning on the go!

How you will make a difference

- Strong data engineering skills supported by deep experience in Python and SQL
- Knowledge of cloud systems (we use Azure)
- Ability to support in moving ML models through testing and into production
- Working knowledge of Databricks and PySpark
- Experience building data warehouse (focus on access)
- Experience with ETL pipeline development and robustness / resilience
- Knowledge of Azure functions and rapid prototype building for product testing and R&D
- Understanding of web/html
- knowledge of Salesforce and Martech is a benefit

About GetCapital

GetCapital is an award-winning business lender and one of Australia's fastest-growing financial technology companies. Winner of the IDC 2020 Digital Disruptor and Omni Experience Innovator awards for Australia and New Zealand, we've also been a Deloitte Technology Fast 50 winner for the past four years and voted one of LinkedIn's hottest Australian companies to work for in 2019.

Our culture

At GetCapital, we take pride in our diversity and culture of inclusion. With the customer always first in mind, we are passionate about solving problems, delivering value and making a real difference. Here, time is precious, there are no politics and no egos. It's one team, with shared successes and failures. If you're ready to challenge convention, we are ready for you.

The perks

We offer competitive and the opportunity to make your mark in a fast-paced, energetic environment. Centrally located in North Sydney CBD, we're close to transport, restaurants, cafes, and shops. You'll enjoy free breakfasts and healthy snacks, and a friendly social atmosphere. There are also plenty of
