Senior Full Stack Developer

Make your mark

GetCapital is seeking a Senior Full Stack Developer to join our growing Tech Team. In this role, you will be responsible to design, develop and deliver full stack web applications and microservices. This is a great opportunity for a strong expert in Microsoft's cloud-based solutions with a can-do, positive attitude to work and an enthusiasm for learning new technologies.

You will be part of a successful and switched-on team with common values and goals. We are a fast-paced, high-growth business and are looking for a motivated self-starter who is technically proficient yet detail-oriented and is comfortable working in a dynamic, high-performing environment. In this role, you will facilitate the continued development of GetCapital's award winning applications.

How you will make a difference

- Design, build, deploy and test web applications and microservices
- Maintain quality and ensure responsiveness of applications
- Collaborate with the technical team to design and launch new features.
- Maintain code integrity and organisation
- Experience working with graphic designers and converting design to visual elements.
- Implement software that is secure and protects data
- Perform technical analysis and testing
- Be eager to learn and develop new skills
- Work within an Agile framework
- Proficient in Azure's cloud environment, along with C# .Net, React JS, SQL and Document databases.

Skills that set you apart

- Strong RESTful API knowledge and API best practices
- Strong experience with event-driven microservices and APIs in a distributed architecture, decoupling legacy platform
- Good understanding of building platforms at scale in Cloud, Azure knowledge
- Experience with MS SQL
- Recent experience working in Scrum teams of Agile environment
- Strong experience with DevOps (or GitOps) and CI/CD processes, Kubernetes, Docker
- Passioned about automated testing
- Excellent verbal and written communication skills.
- Project management skills.
- Strong debugging and troubleshooting skills

About GetCapital

GetCapital is an award-winning business lender and one of Australia's fastest-growing financial technology companies. Winner of the IDC 2020 Digital Disruptor and Omni Experience Innovator awards for Australia and New Zealand, we've also been a Deloitte Technology Fast 50 winner four years in a row and voted one of LinkedIn's hottest Australian companies to work for in 2019.

Our culture

At GetCapital, we take pride in our diversity and culture of inclusion. With the customer always first in mind, we are passionate about solving problems, delivering value and making a real difference. Here,

time is precious, there are no politics and no egos. It's one team, with shared successes and failures. If you're ready to challenge convention, we are ready for you.

The perks

GetCapital offers competitive remuneration and the opportunity to make your mark in a fast-paced, energetic environment. Centrally located in North Sydney CBD, we're close to transport, restaurants, cafes and shops. You'll enjoy free breakfasts and healthy snacks, and a friendly social atmosphere. There are also plenty of staff-led social events, Leadership series, Lunch & Learns and other initiatives for you to participate and grow. And best of all, on your birthday, you get the day off!

If you like the sound of this, we would love to hear from you. Please send your resume to jointheteam@getcapital.com.au
